

# Up-and-coming Transformers Academy PRESENTS The World's live on-site event, "UNLEASHED: Work Life Accelerator Tour"

**Yorktown, New York Mar 24, 2023 ([Issuewire.com](http://Issuewire.com))** - Transformers Academy, a company that offers online courses to help people improve their skills, has announced a worldwide tour to train people, from those who are beginning their first job to those wanting to be promoted to management.

The "[UNLEASHED: Work Life Accelerator Tour](#)" will kick off in the USA's leading cities in April 2023 before passing through Asia, the Middle East, and Europe from 2023 to 2024. The tour strives to assist individuals in honing their abilities through up-to-date information exchange and hands-on experiences led by industry professionals. The tour will be divided into two weeks.

"Week 1. Skill Up: New Challenges, New Achievements": designed for a recent graduate or a seasoned individual contributor and will cover topics related to the job market and skill development and how to effectively utilize tools such as LinkedIn to take your career to the next level.

"Week2. Unleash Your Career Potential: Get the Power to Dominate": a program for this session is designed to help managers and executives advance their careers and become integral members of an organization's leadership and team. You will learn how to attract the best talent and improve your team management skills to succeed in today's rapidly changing business world.

About Us

We are an up-and-coming startup spun off from 360 Transformers (an HR consulting firm) in 2023 in response to the enormous need for personalized development courses. The company strives to promote innovation, teamwork, and creative freedom. Our platform offers over 75 courses of exceptional quality that cater to every career need. From mastering the art of passing a job interview to becoming an inspiring executive leader, we use the latest technologies to ensure that our courses are relevant, engaging, and impactful. At Transformers Academy, we understand that career success is a journey, not a destination. That's why our support continues after the completion of a course. We offer ongoing career guidance and support, helping you navigate through your career journey every step of the way.
