## iBidd Launches New Digital Marketplace on November 15th, 2022

MARLBORO, MA (November 15, 2022) - [iBidd](#), a leading-edge technology company with offices in Central Massachusetts, is announcing the launch of a new digital marketplace. Just in time for the holiday season, the platform allows buyers and sellers to connect safely across the city, the state and the country while providing a safe and secure alternative for sellers and buyers online.

Users can search, list, buy and sell items and services across multiple categories and sub-categories, including general merchandise, real estate, vehicles, jobs, dining, hotels, apartment and room rentals, vacation rentals, clothing and accessories, electronics, travel, luxury items and services. Customers have the option to negotiate prices directly on both mobile and desktop devices and can place 'wanted' listings for items and services not yet offered on the site.

A fresh alternative to current online marketplaces, iBidd offers many key features, such as instant chat, video listings, "beat the clock", two-step authentication, payment escrow, internal wallet, buyers' protection, simplified shipping and the ability to follow favorite sellers. The platform also offers lower fees and additional features not found on competing sites, such as linkbacks to posts across other websites social media platforms.

The iBidd app is now ready for download at Google Play and the App Store. For more information, visit [ibidd.com](http://ibidd.com) and follow us on social media.

## iBidd Opens Q2 by Vetting Funding Sources after Q1 Growth

iBidd, the popular online marketplace for Advertising, buying, and selling items, products, and services has announced that it is now vetting funding sources as it enters the second quarter of 2023. This move comes after a first quarter that saw significant growth in iBidd's website and app's reach, user base, daily posts, and searches for items.

"We are pleased with the growth we achieved in the first quarter and are looking forward to maintaining this momentum in the coming months," said Charles Paul, CEO of iBidd. "Our focus now is on finding the right funding sources to help us take iBidd to the next level."

During the first quarter of 2023, iBidd's website and app experienced a significant increase in reach, with more visitors than ever before. The number of users also grew, with many new accounts being created. Furthermore, there was a surge in posts and searches for items, indicating that iBidd is becoming a popular platform for Advertisers, buyers, and sellers.

"We are proud of what we have accomplished so far, but we know there is much more to be done," said Charles Paul "We are confident that by securing the right funding sources, we will continue to improve our platform and offer even more value to our users."

iBidd remains committed to providing a safe and secure platform for Advertising, buying, and selling products, services, and items. The company's team is working hard to ensure that the platform continues to grow and evolve in the coming months and years.

iBidd, established in 2021, is transforming the user experience by empowering consumers with a voice in pricing. By enabling negotiation on all products, the company is founded on the principle that people are more valuable than products. iBidd's mission is to enhance the way customers interact online, creating a secure and transparent space that benefits both sellers and buyers, resulting in cost savings.
