Why LOMA CF24 F1 AERODISC Custom Rims Are a Must-Have for Mercedes G500 W464 and G63 AMG W464 SUV Owners?

Los Angeles, California Apr 5, 2023 ([IssueWire.com](https://www.issuewire.com)) - The Mercedes G500 W464 and the G63 AMG W464 are icons of the SUV world, revered for their powerful engines and off-road capabilities. But for those looking to take their ride to the next level, the [LOMA CF24 F1 AERODISC](#) custom rims are a game-changer.

First, let's talk about the engines. The G500 W464 is powered by a 4.0-liter V8 engine, which delivers 422 horsepower and 450 lb-ft of torque. It can go from 0 to 60 mph in just 5.9 seconds, making it a joy to drive on the open road. The [Mercedes G63 AMG W464](#) takes things up a notch with a 4.0-liter twin-turbo V8 engine that pumps out a whopping 577 horsepower and 627 lb-ft of torque. This beast can go from 0 to 60 mph in just 4.4 seconds, making it one of the fastest SUVs on the market.

Of course, it's not just about the engines. The driving experience is equally important, and both the G500 W464 and the G63 AMG W464 deliver in spades. The ride is smooth and comfortable, even over rough terrain, and the handling is impressive for a vehicle of this size.

But what really sets the [LOMA](#) CF24 F1 AERODISC custom rims apart is their appearance. Inspired by Formula One, these rims are a thing of beauty. The aerodynamic design not only looks great, but it also helps to improve performance by reducing drag and improving airflow. And the 24-inch size is the

perfect complement to the Mercedes G Wagon suspension, delivering a smooth and comfortable ride.

The prestige of the Mercedes G500 W464 and the G63 AMG W464 is not lost on buyers in the United Arab Emirates and the United States of America. These customized vehicles are sold for insane prices, and it's not hard to see why. They are icons of the automotive world, beloved for their power, performance, and style.

In conclusion, if you're looking to take your Mercedes G500 W464 or G63 AMG W464 to the next level, the LOMA CF24 F1 AERODISC [custom rims](#) are a must-have. With their aerodynamic design, 24-inch size, and superior performance, they are the perfect complement to these legendary vehicles.
