

## Myxed Up selected Westword's "BEST OF DENVER" BEST HEAD SHOP.

The best of the best. Myxed Up represents the top shop in a competitive space.

**Denver, Colorado Apr 7, 2023** ([Issuewire.com](https://www.issuewire.com)) - Myxed Up Creations has become a fixture in Denver over the past 30 years. The owner Phil Guerin started Myxed Up in the basement of his parents Park Hill home making clay mushroom wearable art. The original store opened on East Colfax Avenue in Denver over 30 years ago. Since then Myxed Up has been a trendsetter in the retail industry. The cherished "BEST OF DENVER" award from Westword validates a commitment to the communities Myxed Up serves.

Myxed Up is the best place to find marvelous surprises, like amazing customer service, exclusive Colorado t-shirt designs, exotic snacks, plus many eclectic gifts, and if you are lucky, there might be some handmade mushroom pendants from Guerin himself. In the early 1990s Myxed Up was one of the first stores in the country to sell hemp and CBD goods (post prohibition), and this continues today with the latest cutting edge products.

Phil Guerin boasts, "We love our people and our people love us! Myxed Up has brought much happiness to many lives. We have positively impacted thousands of lives through our stores and philanthropical endeavors."

The Myxed Up stores can be found in Denver, Aurora, Colorado Springs, Grand Junction and Pueblo.
