

## Oncology and Robotic Surgeon in Bay Shore and New York, NY

One of the highest Volume Robotic Surgeons in the Country. More than 5,718 Robotic Surgeries and Counting.

**New York City, New York Apr 8, 2023 ([Issuewire.com](https://www.issuewire.com))** - New York Gynecology Surgery (NYGS) is proud to announce the addition of Dr. Pankaj Singhal, an esteemed oncology and robotic surgeon, to their team of expert healthcare providers. Dr. Singhal brings his extensive experience and cutting-edge expertise in the field of oncology and robotic surgery to serve patients in Bay Shore and New York, NY, offering advanced treatment options for cancer patients.

With the increasing prevalence of cancer, the demand for innovative and minimally invasive surgical techniques has grown exponentially. As a highly skilled oncology and robotic surgeon, Dr. Singhal specializes in utilizing state-of-the-art robotic surgical systems, including the da Vinci® Surgical System, to perform precise and minimally invasive procedures for various types of [gynecologic cancers](#), including [cervical cancer](#), [ovarian cancer](#), [uterine cancer](#), [vaginal cancer](#), [vulvar cancer](#), and [fallopian](#)

[tube cancer.](#)

Dr. Singhal's arrival at New York Gynecology Surgery (NYGS) is a significant milestone for cancer patients in the community. His expertise in robotic surgery allows for smaller incisions, reduced blood loss, faster recovery times, and improved outcomes compared to traditional open surgery. In addition, Dr. Singhal's personalized approach to patient care and his commitment to providing the highest standard of treatment make him a valuable addition to the medical team at New York Gynecology Surgery (NYGS).

"Being able to offer robotic surgery as a treatment option for cancer patients is a game-changer," said Dr. Singhal. "The precision and benefits of this cutting-edge technology are unparalleled, and I am thrilled to bring these advanced treatment options to patients in Bay Shore and New York, NY."

Dr. Singhal completed his medical degree at Madras Medical College and his residency in Gynecologic Oncology at Roswell Park Cancer Institute. He then pursued additional fellowship training in Obstetrics & Gynecology at the New Jersey School of Medicine-UMDNJ, Newark, NJ. His extensive training and experience in oncology and robotic surgery have earned him recognition as a leading expert in the field.

As a compassionate and skilled surgeon, Dr. Singhal is dedicated to providing personalized care to his patients, utilizing the latest advancements in oncology and robotic surgery to offer the best possible outcomes. His commitment to excellence and patient-centered approach makes him a trusted choice for cancer patients seeking state-of-the-art treatment options in Bay Shore and New York, NY.
