New Delhi, Delhi Apr 6, 2023 ([IssueWire.com](https://www.issuewire.com)) - The digital marketing industry has emerged as one of the most promising and lucrative career options for young professionals in India. With the promise of faster growth, great learning, and earning potential, it has attracted the attention of many ambitious individuals. One such individual is Praveen Kumar Rai, the founder of "Marketinggo & [Bizacademy](#)".

According to Digitalraiofficial, who is an online disruptor himself, Marketinggo & Bizacademy is a "solution for every problem under one roof". Praveen Kumar Rai, a student of B.com from Delhi University, is the mastermind behind this successful venture. He is a perspicacious and sensible individual who believes in following the ethical practices of the digital marketing industry. Rai asserts that there are undoubtedly many BLACK HAT SEO experts, but in the long run, businesses must go with the WHITE HAT SEO technique. He also believes that CONTENT IS KING, which is a vital aspect of digital marketing.

Born on August 10, 1999, in Karol Bagh, Delhi, Praveen Kumar Rai never thought that life would bring him such incredible opportunities at such a young age. However, his consistent hard work, self-belief, and determination have helped him achieve success in the digital marketing industry. Rai states that making a career in this field was not his first choice, but his real desire to do something interesting and challenging with full dedication made him earn a good amount of money. Hence, he decided to continue with digital marketing.

Today, while many young professionals are still confused about whether to do an unwanted job or pursue their passion, Praveen Kumar Rai is working with a team of 5 to 6 people and receiving great and satisfactory reviews from his clients. Marketinggo has a great history of working with some of the great and famous influencers from the digital industry. Be it Social Media Marketing, SEO, or anything else, Marketinggo has proven itself with everything.

Currently, Digitalraiofficial is planning to come up with his own "Personal Brand," which is a testament to his entrepreneurial skills and vision for the future. We wish Marketing Go & Bizacademy all the best in their future endeavors, and may they continue to excel and achieve greater heights in the digital marketing industry.
