

The Jackson Jinx by Vincent Armstrong: A New Book from The Jinx Franchise

With compelling writing and a great storyline, 'The Jackson Jinx' is a must-read for any thriller lover. Vincent Armstrong's latest book is absolutely fascinating.

Nashville, Tennessee Apr 25, 2023 ([IssueWire.com](https://www.issuewire.com)) - Based out of Nashville, Tennessee, **Vincent Armstrong** is a great writer. After graduating from the University of Tennessee at Chattanooga, he is always looking for plots for his next book. He is an excellent writer and a very captivating storyteller. His recent work shows how great he is with his writing skills. His latest release '[The Jackson Jinx](#)', was released on the 10th of November 2022. And this book tells a story of a woman who is willing to go to any extent to save her family from harm. This is another edition to his 2006 book franchise 'The Johnson Jinx'. Though, the storyline of each book is quite different. The first Jinx book was a media scandal and this one is a suspense thriller.

Sensational murders are taking place in various corners of the country. Stimulating everyone, and in the center there was this family led by a fierce and strong woman. Vincent has introduced various nail-biting portions followed by some insightful segments and by combining both, the entire book has become extremely powerful and engaging. He has specialized in various writing genres but fiction is probably his best forte where he continuously introduces fisting sequences and widely gravitating outcomes. The matriarch of the family makes sure her family stays together and overcomes every hurdle they face during this time. She is determined to save the family with every bit of her strength when the entire country is bathed with blood. Yet in the end, she had to rely on a powerful force to save her loved ones.

The courage of this lady described by **Vincent Armstrong** shows how powerful a female character can be when it comes to saving her family from harm. And his words and storyline have elevated the entire reading session. Previously he has offered some greatly written books and he surely is going to continue some exquisitely written books as well. His previous works show how diverse and dedicated he is to writing; this book is also a great option for your weekend read. The book is available in both ways, you can find it as an eBook on various online options including Amazon Kindle and [Apple Books](#). You can also buy a hard copy of '**The Jackson Jinx**' on Amazon, [Barnes & Noble](#), and various other online bookstores.
