

William John Titus Bishop publishes his second book length braided essay

The mysterious and reclusive artist has published his second braided essay on his experiences with the Music Industry, Shakespeare, philosophy and psychology.

Hamlet and The Libertine

with a Preface on Modern
Music

William Bishop

London, United Kingdom Apr 5, 2023 (IssueWire.com) - This braided essay provides a discussion of Shakespeare's Hamlet and the Restoration bohemian John Wilmot. The text compares and contrasts the way both figures come to terms with their own individuality though their writing. John Wilmot was played by Johnny Depp in the 2004 film *The Libertine*. Bishop covers the themes of Freudian Psychology, Feminism and includes a preface on his experience with the modern music industry.

Available now from Amazon and Barnes and Noble.

'The writing, the philosophical verve, nuance of emotion and other factors made it so that my attention was drawn to the meaning of the words when I read them' - Brian Cummings

'Bishop's work has an emotional resonance which is pensive reflective and melancholy' - Jay Freeman
