Application Closes on 30 June 2023 ! Hurry !

kolkata, West bengal May 21, 2023 (IssueWire.com) - The Kolkata based Ananta Seva Foundation has announced Vidya Seva Scholarship 2023 for the girl students from weaker income families. The program is aimed at offering financial assistance to meritorious girl students of Class 8 to Class 12 from a recognized school, anywhere in India.

Commenting on the program, Kaushik Sinha, Director, Ananta Seva said, " The school dropout rate between Class 8 to 12 for girl students remains a concern. We have been working on the sector for the past two years and so far assisted 163 students. Ananta Seva will offer the assistance to 100 girl students in 2023, support them financially and mentor them through our members. The scholarship is open to Indian students only. We wish to support them for a period (renewable) till they complete their Plus 2 Boards."

Eligibility:

1. Student should have scored a minimum 80% marks in the prev. year's annual Exam
2. Student should come from economically weaker families (Annual Income less than Rs 1 Lac)
3. Student with single parent will be given priority
