

BEST Impressions of Charlotte Med Spa Announces Availability of VIP Special Alerts & Events

Current and Future Clients Can Now Get Advance Access to BEST Impressions of Charlotte Med Spa Exclusive Offers with VIP Special Alerts

Charlotte, North Carolina May 15, 2023 (Issuewire.com) - [BEST Impressions of Charlotte Med Spa](#), a provider of cosmetic injectables and advanced skincare, announced the release of seasonal VIP Special Alerts and events in early May of 2023. The deals and specials are exclusive to BEST Impressions of Charlotte; clients don't need to accumulate points or wait for manufacturer promotions.

The med spa sets itself apart in the greater Charlotte area by providing treatments from a Board-Certified Adult Nurse Practitioner and Master Injector, Brenda Armstrong, MS, ANP-BC. "I'm excited to give my clients the opportunity to book appointments for our latest specials ahead of everyone else. We're still growing, so the opportunity to receive advanced specials will be open to new and prospective clients for a limited time," said Brenda Armstrong, MS, ANP-BC, Owner. As a Nurse Practitioner and Master Injector, Armstrong is trained and dedicated to providing services that are safe, effective, and give natural-looking results. "I wanted to provide a setting to help people feel more comfortable with cosmetic injectables and give them a private boutique experience," Armstrong said. "Many cosmetic injectable med spas have a large staff of injectors and skincare providers, making it difficult for them to get to know their clients. I enjoy helping clients gain confidence in their choices, put their minds at ease, and focus on their top goals for non-invasive anti-aging treatments and skincare," she added.

Since its inception, BEST Impressions of Charlotte has provided expert and first-in-class cosmetic injectable and skincare services in a boutique med spa setting. By focusing solely on skincare and cosmetic injectables, clients trust BEST Impressions of Charlotte to give them an unparalleled five-star treatment experience. Subscribers to BEST Impressions of Charlotte VIP Special Alerts will receive emails up to two weeks before the latest specials release and a reminder halfway through the specials period. Existing clients are automatically enrolled via email. VIP alerts are only available via email, but in the future, subscribers can choose to receive alerts via text message or direct messages through [Facebook](#) & [Instagram](#). In addition, the emails will give them early access to the online booking calendar, ensuring they can book a session right from their phone and select a time and date when it's most convenient for them.

New and prospective clients can sign up for the VIP Special Alerts on BEST Impressions of Charlotte's [Med Spa Specials](#) page. Area residents will also have the opportunity to meet with Nurse Practitioner and Master Injector, Brenda Armstrong, at several upcoming Charlotte Beauty Boost events. On Saturday May 21st, BEST Impressions of Charlotte will be providing complimentary skincare consultations, free product sampling, giveaways and a free raffle entry with each purchase at their table. The Women of Wellness Beauty Boost Event will feature over 15 wellness experiences; details and tickets are available on [Eventbrite.com](#).
