San Francisco, California May 30, 2023 ([IssueWire.com](https://www.IssueWire.com)) - Endow1 and Boys & Girls Clubs of America Team Up to Raise Funds for Youth Development Programs with Renowned Artist Gabe Weis

Endow1 and Boys & Girls Clubs of America (BGCA) have collaborated to raise funds in support of youth development programs. Up-and-coming artist Gabe Weis, known as a prominent mixed-media and physical artist from Oakland, California has been enlisted by Endow1 to create three signature items in support of the efforts. Gabe has a unique urban style and commitment to sustainability in art, which has been recognized all over the world. Gabe, who started his art career in the 1990s and became a full-time artist in 2021, has always believed in the mission of Boys & Girls Clubs of America.

For over 160 years, Boys & Girls Clubs of America has provided a safe place for kids and teens to learn and grow. Clubs offer caring adult mentors, fun and friendship, and high-impact youth development programs on a daily basis during critical non-school hours. Boys & Girls Club programming promotes academic success, good character and leadership, and healthy lifestyles.

Through this collaboration, donors will be supporting a fantastic cause while being the recipient of three exclusive prints from Gabe Weis. All contributions of \$365 or more will have a chance for a VIP experience at the 2023 MLB All-Star Game in Seattle. About Gabe Weis: Gabe Weis is a mixed-media and NFT artist living in the Bay Area. The self-taught artist is inspired by street art and stoic philosophy and uses a stream-of-consciousness approach to his work to explore perceptions of reality. His physical and digital works are shown internationally. This past year, his work has been shown at the Venice Biennale, Picasso Museum, Seattle Art Fair, and various galleries throughout Asia and the United States. In 2022, Gabe launched [The Stoics](#), a 5,000-piece NFT collection that sold out in minutes and represents his personal philosophy of resilience through stoicism. Gabe is committed to sustainability in his craft. By reusing older materials found around the house such as cereal boxes, maps, and old dictionaries to create timeless works, he hopes his work inspires others to reuse materials as part of their art practice.
