

## Career Day at Select Aviation College - Come and explore flight training!

**Gatineau, Quebec May 4, 2023 ([Issuewire.com](https://www.issuewire.com))** - The aviation industry is booming, having experienced an exceptional recovery since the pandemic. The pilot shortage is upon us once again, and it brings a wide range of career opportunities, including piloting. A career made for those who love challenges and adventure! Select Aviation College is well-positioned, and approved by the Ministry of Education to accompany you in this new path.

With this in mind, we would like to invite the public to come and visit us on Saturday, May 13, 2023, between 11:00 and 15:00 to explore what flight training entails such as ground school, flight training, and how to finance your studies. We have a partnership with Desjardins to help you.

Come and meet passionate professionals who will guide you on your path to becoming an airline pilot, helicopter pilot, bush pilot, and more.

Our career day is designed to help you explore these exciting options. You will have the chance to learn about the flight training programs available at Select Aviation College that will effectively prepare you for your future career in aviation.

During this special day, you will be able to try out a flight simulator with one of our qualified instructors, and tour our new building and state-of-the-art classrooms. You'll be able to talk to experienced instructors about the opportunities available to you, as well as meet some of our students and hear stories about their journey.

The programs offered at Select Aviation College are designed to provide students with the skills and knowledge they need to succeed, and its graduates are highly sought after by employers in the aviation industry.

Select Aviation College is one of Canada's leading flight training institutions. It has been training airplane and helicopter pilots for over a decade. These programs include the prestigious and coveted Integrated ATPL program, Canada's highest pilot license. Our training strategy includes proven and well-structured training programs, highly qualified and experienced staff, and a fleet of over 40 aircraft and flight simulators.

237 students are currently training at our Gatineau campus. These students come from over 30 different countries. You will learn in a multicultural and linguistic environment in Canada's two official languages, English and French. Select Aviation College is proud to train pilots who are not only able to obtain professional licenses issued by Transport Canada, but also to develop the mindset that will make them assets to the aviation industry.

Come join us at the Career Day on Saturday, May 13 at the Select Aviation College, located at the Gatineau Airport at 1717 Arthur-Fecteau Street. The event will start at 11:00 am and end at 3:00 pm. Refreshments and snacks will be served. Admission is free and open to all aviation enthusiasts, whether you are a student, considering a change of career, or simply curious to learn more about this fascinating field.
