ROCK WITH ME FT P DIDDY

 Music Promotion

**Los Angeles, California May 11, 2023** ([IssueWire.com](http://www.IssueWire.com)) - The skillful rapper and youngster of the hip-hop music industry, **Crunch** has released a brand new video and already it is creating such hype about his career. The official music video of '[Rock With Me](#)' ft P Diddy has gathered more than a thousand views on the platform showing much appreciation from the audience. The anticipation about the music

release has been at its highest and upon release, the music video was welcomed with open arms. The video features the artist in his glorious form, rapping on stage and in his true nature, entertaining his audience. The visuals of the video are kept simple, just focused on the rapper performing live on stage and giving his audience what they deserve, a good time, energetic live music, and grooving, sick beats. The video also features some glimpses of the worldwide known rapper P Diddy, showcasing his influence and inspiration on **Crunch**.

The track is highly energetic and consists of enlivening beats, groovy tunes, and impressive rap verses. The [Los Angeles hip-hop artist](#) aims to create his own safe space in the hip-hop industry where he could bring his artistic vision to life. One prominent thing in the video, '**Rock With Me**' ft P Diddy that showcases his true talent and sets him apart from his peers in the hip-hop music industry is his lyricism. With this much talent and enjoyable content, the song and the official video is on their way to becoming the artist's most successful video yet and it can very well become the reason for the artist's establishment in the global music industry. The composition is kept classy and groovy, giving enough space for the emotive and expressive lyricism to shine.

Some of his previous releases such as '**Lonely People**', '**Twerk & Roll**', '**West Coast Anthem**', '**Lethal**', '**Whip It Up**' etc. are the perfect examples of how talent, creativity, and hard work can produce some really enjoyable and memorable music. You can watch the video on [YouTube](#) and listen to his music on Spotify, Apple Music, and Amazon Music. Follow the artist on [Twitter](#), [Instagram](#), and his [website](#) for more details.
