

Elizabeth Phung, DO, a Geriatrician with Beacham Center for Geriatric Medicine

Get to know Geriatrician Dr. Elizabeth Phung, who serves patients in Baltimore, Maryland.

New York City, New York May 23, 2023 ([Issuewire.com](https://www.issuewire.com)) - n exceptional geriatrician, Dr. Phung is the Medical Director of the Beacham Center for Geriatric Medicine at Johns Hopkins Bayview Medical Center, located in Baltimore, Maryland.

Back in the early days of her academic career, she received her Bachelor of Science in Nursing degree

from the Drexel University College of Nursing, before receiving her Doctor of Osteopathic Medicine degree from Nova Southeastern University. She completed her residency in internal medicine with the Allegheny Health Network, before completing her fellowship in geriatrics at Harvard Medical School.

As a testament to her success, the doctor is board-certified in geriatric medicine and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Geriatrics, or geriatric medicine, is a specialty that focuses on the health care of elderly people. It aims to promote health by preventing and treating diseases and disabilities in older adults. A geriatrician is a health care provider who focuses on patient well-being and independent functioning. These allopathic or osteopathic health care providers are specifically trained to evaluate and manage the unique health care needs and special treatment requirements of older people.
