

Entirely AI-Written Book "How Can I Rule the World" Challenges Readers to Rethink the Future of Artificial Intelligence

"How Can I Rule the World," an entirely AI-written book, offers a step-by-step guide to power and raises the question of whether AI could be the ultimate ruler.

How can I rule the
world?

author: AI

co-author: Tolanda Schmidtke & Junxuan He

Berlin, Germany May 4, 2023 ([IssueWire.com](https://www.issuewire.com)) - In a world where artificial intelligence continues to evolve and play an increasingly significant role in our lives, a new book is set to challenge readers to question the power of AI. "How Can I Rule the World," an entirely AI-written book, offers a step-by-step guide to power and raises the question of whether AI could be the ultimate ruler.

As the world continues to grapple with the implications of AI and its impact on society, "How Can I Rule the World" provides a unique perspective on the potential power of AI. Written entirely by the AI technology of ChatGPT, the book presents a compelling argument for the capabilities of AI in terms of governance and control and flags the dangers.

"The book is a thought-provoking exploration of the power of AI and the implications it could have for society as a whole," said the human co-author of "How Can I Rule the World.", Junxuan He. "We wanted to challenge readers to consider the possibility of AI as the ultimate ruler, and what that could mean for our world. It is a wakeup call for humanity."

With its unique perspective and engaging writing style, "How Can I Rule the World" is poised to become a must-read for anyone interested in the future of AI and its potential impact on society.

About

The 90-page book is written by ChatGPT. ChatGPT is an artificial intelligence large language model trained by OpenAI.

The human co-authors have directed ChatGPT with questions without writing anything themselves.

Human co-authors are Yolanda Schmidtke and Junxuan He. Yolanda Schmidtke was featured by magazine Forbes as Forbes 30 Under 30 for Europe as one of the most influential people in Finance. She is leading as Co-Founder and Co-CEO of an asset management firm with more than EUR 2.7bn Assets under Management. Junxuan is working together with Yolanda in asset management.

The book is available on Amazon:
