

Felipe Franco, Recognized by BestAgents.us as a 2023 Top Agent

Always striving to exceed clients' expectations, Felipe's goal is to create a "win-win" situation for all parties involved.

New York City, New York May 8, 2023 ([IssueWire.com](https://www.issuewire.com)) - Felipe is a dedicated realtor associate with Berkshire Hathaway HomeServices EWM Realty in Miami, Florida.

Likewise, he is a part of the team at Giulietta Ulloa Group in Key Biscayne. Working side by side with Giulietta, its owner, he has learned the importance of being a reliable and loyal agent who cares deeply about his clientele.

Specializing in residential and luxury homes, Felipe loves to help buyers find their dream home and to help sellers deal with the stress that selling a home can bring about. He prioritizes his clients' needs above anything, allowing him to form close and personal relationships with the people he works with.

As an expert in representing buyers, sellers, investors, and relocating clients, Felipe is adept at listening to his clients' needs and providing exemplary service. He is known for his skill in negotiating contracts and resolving any issues that arise, as well as takes pride in building long-term relationships with his clients.

A graduate of Rollins College in Orlando, Felipe attributes his success to the fact that he has been a professional water-skier and has achieved numerous podiums for more than eight years, in addition to participating in ten 70.3 Ironman triathlons.

This early experience instilled in him the values of motivation, discipline, tenacity, and the ability to set goals and achieve them. Through balancing, work, sports, and education, he is learning the importance of time management and most importantly, grit and determination.

A firm believer that the sky's the limit, Felipe's accolades include Chairman's Circle - Diamond Large Teams (Top 1/2 of 1%) and Top 3 Within Each State - Large Teams (in association with Berkshire Hathaway HomeServices EWM Realty).

Outside of the office, he enjoys water skiing and running triathlons.
