Mr. Sujeet Singh & Mr. Gaurav Singh, Directors of Flawless Pharma Pvt Ltd received the award trophy from the legendary Actress Madhuri Dixit. The leadership award ceremony was attended by the captains of the industry. Prominent leaders of the society, policymakers were in full attendance. Global Excellence Awards recognize different businesses, entrepreneurs, and service providers for their exceptional performance and accomplishments in their respective areas and it will showcase the businesses that have navigated the tough conditions by innovating, creating jobs, achieving growth, and supporting their communities and the planet.

Commenting on the award Mr. Sujeet Singh, Director of Flawless Pharma Pvt Ltd said, "This recognition and subsequent felicitation of our enterprise is going to fuel us to work even harder and to keep delivering the best there is in the pharmaceutical industry. We thank the jury members for its recognition; we will continue to work harder to serve our nation and take its name across the world. We have earned numerous innovation awards in the past years. We are proud of the recognition we have achieved for

the development of innovative drug-delivery technologies. Flawless Pharma's mission is to Serve Global Healthcare needs through science of research, Innovation and Technology. We at Flawless Pharma believe that to ensure sustained growth, we need to clearly understand our customers' needs and use cutting-edge technology to present innovative solutions with a cost-effective approach. Be a niche player in global pharma space and enhance value for all stakeholders. We are a value driven company. Flawless Pharma is making a global impact in a way that creates value for all stakeholders, through focus on niche products to fulfil the growing demands of the international pharmaceutical Industry”.

Flawless Pharma Pvt Ltd is known as one of the leading Active Pharmaceutical Ingredients supplier, manufacturer and exporter in India. APIs are defined as raw chemicals in medicine, which make them effective. These Active Pharma Ingredients are one type of chemicals which are widely used in many Pharmaceutical Products, OTC and prescribed medicines. Our all products are made as per the quality and safety standards set by the concern drug regulation bodies and known as one of the leading API supplier, manufacturer and exporter in India.

Our business capabilities are based on Quality, Research, Innovation and cost effective manufacturing skills. Our wide and strong distribution & supply network ensure to deliver quality pharmaceutical ingredients anywhere in the world in the given time period. Our customer centric business policy is helpful for our growth as we are expanding our business in many new countries. While India itself is a large market place in the world, Indian API industry is now become export driven and holds the position of leading API supplier in the world. Contributing in this trend, we are one of the few companies with a sharp focus on producing superior APIs, ensuring new customers and cementing successful partnership in global marketplace. Our experienced and dedicated team of professionals are responsible for smooth product development through innovative R&D activity for offering unmatched quality pharma ingredients to various global markets. We have adopted green chemistry approach to protect our environment. We are investing largely in R&D process to improve efficiency and for introducing new environmental friendly products. Known as Active Pharma Ingredients supplier, manufacturer and exporter, we offer wide range of premium grade APIs in variety of packaging options to meet various customer demands.
