Get to know Dentist Dr. Francis Nahm, who serves patients in Woodridge, Illinois.

**New York City, New York May 8, 2023 ([IssueWire.com](https://www.issuewire.com))** - Dr. Nahm is a trusted dentist working alongside Dr. Muzammil Saeed, DDS, at New Avenue Dental in Woodridge, Illinois.

He firmly believes that excellence in dentistry begins with an open conversation and strong genuine empathy. He loves to share his insights and expertise on procedures especially pertaining to the adult population – general restorative, root canal, cosmetic, periodontal/oral surgery, and a wide variety of dental implant-driven solutions.

Academically, Dr. Nahm received his bachelor's degree with honors distinction from The Ohio State University, obtained his Doctor of Dental Surgery degree from New York University, and completed his residency training in Advanced Education in General Dentistry with the U.S. Army, receiving special recognition as the chief resident.

During his service, he received numerous decorations and awards for his contributions to the Soldiers and for his key leadership roles in multiple locations, both foreign and domestic. He was honorably discharged in the rank of Major.

With years of persistent dedication and having worked with several world-renowned dentists as his mentors, Dr. Nahm holds a few distinctive accolades such as the prestigious fellowship award given by the Academy of General Dentistry (FAGD) and the mastership credential with the American Academy of Implant Prosthodontics (MAAIP).

His active professional memberships include the American Dental Association, the Illinois State Dental Society, and the Chicago Dental Society.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.
