Denver, Colorado May 3, 2023 ([IssueWire.com](https://www.IssueWire.com)) - Enjoy rope performances and live jazz together on May 20th from 7:00 p.m. until 11:00 p.m., with the option to come and go as you please.

Gabe Gravangno and his many musical friends riff with the center stage show, while 3 other shibari satellite stations around the room ensure everyone has an enticing view to enjoy. Enjoy the art of over 12 performances throughout the evening.

Shibari is a contemporary form of rope bondage originating in Japan. Depending on the intention of the rope artist, the mood ranges from sensual, romantic, even playful.

Hosted upstairs in the gorgeously lit Dance Hall, the Mercury Café serves locally sourced food and drink to keep libations going all evening. Drink and food menu available to peruse and order from. Curated by a local chef with fresh ingredients, enjoy a candlelit dinner with the show.

We have photographers and a photo booth area to capture the evening, however personal photography is not allowed. This is a 21+ event.
