

Aarti Shah, DDS, a Dentist in Private Practice

Get to know Dentist Dr. Aarti Shah, who serves patients in Artesia, California.

New York City, New York Jun 27, 2023 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Shah is dedicated to providing the most comfortable, efficient, and comprehensive dental care for patients and their families at her private practice in Artesia, California.

Specializing in all phases of general & cosmetic dentistry, her services range from dental check-ups, cleanings, preventive and restorative dental care, and root canal treatment to cosmetics, dentures, teeth whitening, implants, veneers, and lumineers.

Together with her experienced dental team, Dr. Shah welcomes all new patients to a clean and modern dental office equipped with the latest dental technologies like pain-free injections. She is a firm believer that every patient deserves to have a healthy and beautiful smile.

Among her educational pursuits, Dr. Shah completed her residency in cosmetic dentistry at Esthetic Professionals, and earned certification in the pediatric oral access program.

Receiving her California dental license in 1998, she spent many years acquiring the knowledge and training necessary to assure that all of her patients will receive superb quality restorative and preventive dentistry.

An avid learner, Dr. Shah has successfully completed various continuing education courses, including endodontic courses at UCLA. She is also certified in oral conscious sedation, and has served on faculty at the University of California, San Francisco (UCSF).

Among her professional dental affiliations, she is an active member of the American Dental Association, the California Dental Association, the Indian Dental Association, and the Harbor Dental Society.

Orthodontics is a specialty of dentistry that deals with the diagnosis, prevention, and correction of malpositioned teeth and jaws. Orthodontists are responsible for identifying problems with the positioning of a patient's teeth and with their oral development. They utilize the most advanced procedures and equipment available to ensure that every patient achieves a healthy and beautiful smile.
