

## Anthony Guastella, PhD, a Psychologist with Caris Life Sciences

Get to know Psychologist Dr. Anthony Guastella, who serves patients throughout the State of Michigan.

**New York City, New York Jun 12, 2023 ([IssueWire.com](https://www.issuewire.com))** - A knowledgeable psychologist, Dr. Guastella is a driven research professional with over 7 years of cancer research experience at nationally recognized cancer institutes. He currently serves as a Director and Medical Science Liaison at Caris Life Sciences, leading a team of 4 MSLs in the Midwest region.

Caris Life Sciences is a leading innovator in molecular science, helping patients, clinicians, researchers, and payors navigate, advance and reinvent cancer care. Their core competencies span multiple critical aspects of the life sciences industry.

Originally from Rochester Hills, Michigan, Dr. Guastella received his Bachelor of Science degree in Biology from Oakland University in 2013. He then went on to graduate with his Doctor of Philosophy degree in Cancer Biology from the Wayne State University School of Medicine in 2019.

Psychology is the science of behavior and mind. It includes the study of conscious and unconscious phenomena, as well as feeling and thought. It is an academic discipline of immense scope.

Psychologists assess, diagnose, and treat the psychological problems and behavioral dysfunctions resulting from, or related to, physical and mental health. In addition, they play a major role in the promotion of healthy behavior, preventing diseases and improving patients' quality of life.
