Wilmington, Delaware Jun 18, 2023 ([IssueWire.com](https://www.issuewire.com)) - Catholic schools shape students' character by promoting empathy, kindness, and compassion. They encourage community engagement through student-led activities and volunteering, fostering positive contributions. However, opinions may vary among Catholic school-educated individuals regarding the extent of these values.

Jake McGuire, a renowned writer and photographer from Washington, DC, brings a side-splitting memoir to readers with his latest release, *How My Heavenly Mother Saved Me From the Hellish Nuns*.

In this book, McGuire recounts his misadventures in Catholic school and credits his mother for rescuing him from the clutches of the often "hellish" nuns who made his school days a nightmare. Prepare to embark on a laughter-filled journey as McGuire shares his unbelievable experiences with nuns who had an uncanny ability to torment and terrorize their students. From being lifted by his ears to enduring ruler beatings for using his left hand and daily threats of eternal damnation, McGuire spares no hilarious detail.

While the book primarily focuses on his mother's heroic stand against the nuns, McGuire masterfully weaves anecdotes that showcase her devilish wit and zest for life. Imagine her cruising in a dilapidated 1949 Woody Wagon, with mushrooms sprouting from its decaying sides. McGuire's tales will have readers in stitches and provide a much-needed escape from reality.
