

## **gimmefy Launches First Specialist AI Platform for Marketers in Asia**

**gimmefy.ai**, a cutting-edge AI platform designed specifically for marketers in Asia, is now live and ready to revolutionise the marketing world.

**Singapore, Singapore Jun 14, 2023 ([IssueWire.com](https://www.IssueWire.com))** - **gimmefy.ai**, a cutting-edge AI platform designed specifically for marketers in Asia, is now live and ready to revolutionise the marketing world. This innovative platform enables marketers to efficiently carry out over 70 specialised tasks, saving precious time and resources for big-picture thinking and planning.

Created with the needs of marketers, startup founders, businesses, brands, and agencies across South East Asia in mind, gimmefy.ai aims to make marketing more efficient and effective than ever before. The platform's unique blend of AI technology and expert marketing knowledge delivers stunning results for a wide range of specialised tasks.

"gimmefy is more than just another AI platform—it's a specialist tool built by marketers, for marketers," said Shalu Wasu, co-founder of gimmefy. "Our AI performs over 70 tasks including content creation, idea generation, visual creation, and specialist tasks like press release creation better and faster than we can—giving marketers time to invest in activities that really drive their business."

While ChatGPT has been a popular tool in the market, it has its limitations as a jack-of-all-trades solution. gimmefy sets itself apart by focusing on specific use cases with top-notch performance. By combining the best of AI tech with the wisdom, knowledge, and experience of seasoned marketers, gimmefy.ai ensures world-class results every time.

Among other things, gimmefy can dream up campaign ideas, craft stunning visuals, write compelling blogs, and whip up professional press releases—all at your command. Trusted by professionals and leading Asian enterprises alike, this groundbreaking platform is truly the easiest-to-use tool that delivers the best results.

"gimmefy has been instrumental in jump-starting our efforts to generate a broad range of social media content. It's streamlined, user-friendly, and truly gives our marketing efforts a competitive edge at half the time because of the amazing technology built into gimmefy. I highly encourage any business owner who needs a virtual marketing agency to try out gimmefy." Winson Yap, Director, Raffles Health Insurance.
