

Ivory Phar Inc. – An Authorized Provider of Plastics, Ferrous and Non-Ferrous Metal, and Paper Scrap

North Brunswick, New Jersey Jun 1, 2023 ([IssueWire.com](https://www.IssueWire.com)) - Ivory Phar Inc. specializes in trading and exporting various grades of ferrous and non-ferrous metal, plastic, and paper scrap. They source high-grade materials from local and reliable vendors while adhering to the highest quality standards to satisfy clients across various parts of the world. They deal in a variety of products including LPDE film scrap bale, HDPE blue drum, PET bottle scrap, electric motors, HDPE milk jugs, used oak barrels, aluminum extrusion 6063 scrap, ONP-over issued newspaper, and so on. They carry vast experience and knowledge in assisting both small and large corporations with recycling programs.

The recycling program is an essential step toward a cleaner and sustainable future. It eliminates materials to end up in landfills and reuses or converts them into usable items. Such efforts can save endless gallons of water and fuel as well as stop the release of carbon dioxide into the atmosphere. More and more companies are focusing on sustainability and adopting recycling practices to make the best use of waste products and reduce environmental threats. As a business owner, it's your duty to invest and operate in safe activities to benefit the environment, communities, and the public.

Ivory Phar Inc. is an authorized [HDPE blue drum scrap supplier](#) intended to protect the environment with its advanced recycling programs. Using state-of-the-art facilities, experienced and qualified staff, and following strict guidelines, they trade and export premium grades of metal, plastic, and paper scrap. They provide a comprehensive range of services to their valued customers at competitive rates and timely deliveries. They have the latest packaging and distribution facilities, which gives them the ability to carry out safe transit of consignments to assist businesses across the world with recycling practices. They help clients to recover loose plastic packaging waste that might go to the landfill, increasing recycling volume and reducing disposal costs.

Ivory Phar Inc. is a major [electric motor scrap supplier](#) and other types of products in various grades, fulfilling the recycling needs of both consumers and industrial uses. All products exported undergo rigorous sorting procedures to eliminate contamination. They supply a wide assortment of products, including LDPE film scrap, PET bottles scrap, BOPP films roll scrap, HDPE milk bottle scrap, PU foam, EPS block, PMMA acrylic scrap, OCC paper scrap, CD-DVD scrap, DSOC waste paper, aluminum UBC can, computer motherboard scrap, and much more. For three decades, the company has been providing exceptional services and great prices, catering to businesses and residents in Brunswick Township, NJ, and other surrounding areas.
