

## Jan Schaefer, Recognized by BestAgents.us as a 2023 Top Agent

“I believe in doing business by the Golden Rule and providing superb customer service with a friendly attitude.”

**New York City, New York Jun 29, 2023 ([IssueWire.com](https://www.IssueWire.com))** - Jan is a REALTOR® with Berkshire Hathaway HomeServices PenFed Realty in Santa Rosa Beach, Florida. As a REALTOR® since 2005, she brings a combination of sales, operations, and marketing experience as a Certified Residential

Specialist serving sellers and buyers on the Emerald Coast of Florida.

Known for her generosity, Jan donates a portion of her commission to customers who are current or former military members, educators, healthcare workers, and first responders. It's Jan's way of giving back to those who give so much to our communities.

Approaching all of her work with a servant's attitude, Jan treats her customers and fellow agents as she would like to be treated. She enjoys being a problem-solver, especially when there seems to be no obvious solution.

Real estate is a relationship business and the relationship shouldn't end at the closing table. Jan's goal is to help customers achieve their real estate goals by listening and paying attention to their needs and wants for years to come.

As a seller's agent in an ever-changing market, she understands that selling a house on one's own can be a stressful and overwhelming task. Jan likes to make it simple for her customers by doing everything she can to sell the house on their terms and in their timeframe. Jan's marketing methodology starts the day you hire her. The plan is complete from social media advertising, open houses, private showings, reviewing and negotiating purchase offers, as well as keeping track of contract contingencies and sometimes complicated legal documents.

A native of Ellicott City, Maryland, Jan currently resides with her husband, two Labradoodles, and cat in Destin, Florida. Outside of real estate, she enjoys playing with the dogs in the pool, gardening, sewing, mermaids and martinis!
