

## **Michael A. Franklin, MD, a Neurologist with BayCare Medical Group Neurology at St. Anthony's Hospital**

Get to know Neurologist Dr. Michael A. Franklin, who serves patients in Florida.

**New York City, New York Jun 23, 2023 ([IssueWire.com](https://www.issuewire.com))** - A skilled neurologist, Dr. Franklin is affiliated with BayCare Medical Group Neurology at St. Anthony's Hospital in St. Petersburg, Florida.

With a broad educational background, he obtained his medical degree from the SUNY Downstate Medical Center College of Medicine in 1987, before completing his internship and residency in neurology at the SUNY Health Science Center at Brooklyn in 1991. Finally, he completed his fellowship in neuromuscular medicine at the Montefiore Medical Center in 1992.

As a testament of his continued education, the doctor is board-certified in neurology by the American Board of Psychiatry and Neurology (ABPN). The ABPN is a not-for-profit corporation dedicated to serving the professions of psychiatry and neurology.

To boot, Dr. Franklin is board-certified in electrodiagnostic medicine by the American Association of Neuromuscular Diseases and Electrodiagnostic Medicine, and has attained board certification in headache medicine by the United Council of Neurologic Subspecialties.

Neurology is a branch of medicine dealing with disorders of the nervous system. Neurologists are licensed medical specialists who diagnose and treat disorders that affect the brain, spinal cord, nerves, and muscles of patients. They examine a patient's mental and physical status, conduct medical tests and scans, and evaluate the results to diagnose and treat the patient.
