Get to know Dermatologist Dr. Nazanin Saedi, who serves patients throughout the State of Pennsylvania.

**New York City, New York Jun 14, 2023 ([IssueWire.com](http://IssueWire.com))** - A board-certified dermatologist, Dr. Saedi is the Department Co-Chair of the Laser and Aesthetics Surgery Center at Dermatology Associates of Plymouth Meeting. Whether it's enhancing appearance, addressing medical concerns, or performing intricate surgical procedures, her expertise ensures her patients receive exceptional care and achieve their desired outcomes.

Specializing in treatments that address changes in the skin's firmness, texture, color, and overall appearance, she offers a wide range of procedures to her patients. These include popular treatments such as Botox and fillers to reduce wrinkles and restore youthful volume, advanced laser treatments to improve skin tone and texture, rejuvenation and anti-aging procedures to prevent and reverse signs of aging, hair removal and hair loss treatments, acne, and acne scarring solutions, body contouring techniques to shape and sculpt the body, as well as facial rejuvenation and resurfacing procedures to enhance overall facial aesthetics.

Academically, Dr. Saedi graduated cum laude from Princeton University, earning an A.B. in Anthropology. Continuing her academic journey, she attended The George Washington University School of Medicine, where she graduated with distinction and was elected to the prestigious Alpha Omega Alpha medical society. Her commitment to excellence is further demonstrated by her residency at the University of California, Irvine, where she served as Chief Resident. Finally, she pursued a fellowship in cosmetic dermatology and dermatologic surgery at SkinCare Physicians in Chestnut Hill, Massachusetts, honing her skills in advanced cosmetic procedures.

In pursuit of clinical excellence, the doctor is board-certified in dermatology by the American Board of Dermatology, which is a voluntary, non-profit, private, autonomous organization formed for the primary purpose of protecting the public interest by establishing and maintaining high standards of training, education, and qualifications of physicians rendering care in dermatology.

With a passion for sharing knowledge and advancing the field of dermatology, she serves as a Clinical Associate Professor at Thomas Jefferson University, delivering insightful presentations on cosmetic dermatology and laser surgery. Her expertise and reputation have also led her to serve on several medical advisory boards for medical device and cosmetic companies, where she contributes her insights and guidance to shape the future of dermatological treatments.

Dr. Saedi's contributions to the field of dermatology have not gone unnoticed by the media. She has been featured on various television programs, including The Doctors, Fox 29, ABC 6, and NBC 10, where she shares her expertise and educates the public about dermatological issues and advancements in treatments. Her insights are also frequently sought by reputable publications such as Allure, Elle, Prevention, Everyday Health, Self, Shape, and Philadelphia Magazine, where she is quoted as an authority in the field.

Dermatology is the branch of medicine dealing with the skin. The skin is the largest organ of the body. Dermatology is a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages skin diseases and deals with both internal and external causes and some cosmetic concerns involving the skin. Dermatological duties include taking consultations, providing screening tests, and undertaking non-invasive surgical procedures.
