**New York City, New York Jun 15, 2023 (**Issuewire.com**)** - Dr. Mehr is an esteemed dermatologist who has established herself as a leading expert in the field of cosmetic dermatology. With a specialization in non-surgical cosmetic treatments, acne, dark spot correction in ethnic skin, anti-aging, and hair loss, she has garnered recognition and acclaim throughout her career.

In 2013, her entrepreneurial spirit and dedication to her patients led her to establish Pure Dermatology Cosmetic & Hair Center in Newport Beach, California. Over the past decade, she has nurtured and expanded the practice, overseeing multiple locations and a team of skilled providers. Driven by her belief in functional dermatology, she strives to help individuals enhance their natural beauty and feel comfortable in their own skin from the inside out.

Having graduated with honors from UC Irvine's distinguished Bachelor of Science program, Dr. Mehr's passion for dermatology led her to pursue further education at UC Irvine Medical School, graduating cum laude. Subsequently, she completed her residency in dermatology at Loma Linda University, where she not only excelled but also served as the Chief Resident, providing guidance and mentorship to her fellow dermatologists in training.

With an unwavering commitment to her specialty, the doctor is board-certified in dermatology by the American Board of Dermatology, which is a voluntary, non-profit, private, autonomous organization formed for the primary purpose of protecting the public interest by establishing and maintaining high standards of training, education, and qualifications of physicians rendering care in dermatology.

Remaining up to date in her field, she is an active Advisory Board member of Hoag's prestigious Melanoma & Skin Cancer Center, as well as a member of the American Society of Mohs Surgery, the American Society of Dermatologic Surgery, and the American Society of Laser Medicine and Surgery.

Dermatology is the branch of medicine dealing with the skin. The skin is the largest organ of the body. Dermatology is a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages skin diseases and deals with both internal and external causes and some cosmetic concerns involving the skin. Dermatological duties include taking consultations, providing screening tests, and undertaking non-invasive surgical procedures.

Dedicated to her craft, Dr. Mehr has earned her the prestigious title of "Top Cosmetic Dermatologist – Newport Beach." Beyond her professional achievements, she cherishes her roles as a wife and a mother to two little boys. In her personal life, she finds solace in meditation and enjoys reconnecting with nature through leisurely walks.
