**Chicago, Illinois Jun 29, 2023 ([IssueWire.com](http://IssueWire.com))** - Ivonne Camacho of AbsolutModerne PR/Marketing along with Red Lux Photo & Film Editor Devon Watley of New York City @Devon0555 and the talented team producers of Red The Luxury Life magazine will generate, an amazing evening with their distinguished guest, “We are thrilled to have such a distinguished group of talented professionals, said Ivonne Camacho,” included is: Marco Maranghello - Hair Stylist, Producer, and Artistic Director and is featured on the cover of Red The Luxury Life magazine. Pajama Studios and [www.soundpressurelabs.com](http://www.soundpressurelabs.com) TrueSPL Real-Time Surround Sound take the Music and Film Industry by Storm, at The 2023 NAMM Show in Anaheim, California. Rian Music - This independent record label has quickly gained recognition for talented independent artists. Deneen Borelli and her husband Tom Borelli appear on Newsmax television. Ylva Erevall - Writes photography is the perfect outlet for visual storytelling. Eric Giovon - served as Director of Photography on over 100 productions (films, documentaries, music videos, and commercials). Klara Beauty Lab – is a luxury medical spa located in Manhattan's Upper East Side.

Also, joining as a highlight in July’s issue is Fabio Caserta of Italy where for over 20 years he created in various sectors of fashion, first as a model and today as a fashion stylist and costume designer.

Highlighting Red The Luxury Life magazine is the combination of Royce’s engineering genius and Rolls’ talent for promotion, their company soon became recognized as the maker of ‘the best car in the world’ – a title that Rolls-Royce Motor Cars proudly retains more than a century later. And we are proud to invite them on our red carpet.
