With her stunning rendition of Stevie Wonder's "Overjoyed," Maria Ermakova captivates hearts.

**London, United Kingdom Jun 8, 2023 ([IssueWire.com](https://www.IssueWire.com))** - Stevie Wonder's classic hit "Overjoyed" has been given a new life in a cover version by Maria Ermakova.

This soulful ballad speaks directly to the heart with its beautiful expression of love and gratitude, and its simple yet poignant melody that is instantly recognizable.

Maria's smooth and velvety vocals are a perfect match for the romantic lyrics, conveying a feeling of overflowing love and emotion that fills the listener's heart.

Although a recent fan of Stevie Wonder, Maria Ermakova considers him a standard of modern jazz. Her love for the song began with "Overjoyed", which she found to be incredibly beautiful in every aspect: lyrics, melody, and rhythm. But Maria wanted to add her own touch to the song. She arranged an acoustic version with live piano, giving it a more sensual and romantic sound.
