

Elizabeth Ulliman, MD, a Pulmonologist with Women's Center for Pulmonary Health

Get to know Pulmonologist Dr. Elizabeth Ulliman, who serves patients in San Antonio, Texas.

New York City, New York Jul 17, 2023 ([IssueWire.com](https://www.issuewire.com)) - A respected pulmonologist, Dr. Ulliman is the Medical Director of the Women's Center for Pulmonary Health in San Antonio, Texas. Her areas of expertise include pulmonary care, critical care, COPD, asthma, and interstitial lung disease. Her vast knowledge and experience in these areas allow her to diagnose and treat respiratory conditions with precision and compassion.

The team at the Women's Center for Pulmonary Health brings together expertise from every corner of pulmonary health for comprehensive, professional, compassionate care. From preventive health to chronic disease management, they are equipped to help patients at every stage of their pulmonary journey.

In regards to her educational background, Dr. Ulliman received her undergraduate degree from Texas Tech University in Lubbock, TX, and earned her medical degree from St. George's University School of Medicine in Grenada, West Indies. She completed her residency in internal medicine at the University of Arizona College of Medicine South Campus, before completing her fellowship in pulmonary disease & critical care medicine at Baylor Scott and White, Texas A&M School of Medicine.

As a testament to her success, the doctor is board-certified in pulmonary disease and internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Pulmonology is a medical specialty that deals with diseases involving the respiratory tract. A pulmonologist is an internal medicine physician who specializes in preventing, diagnosing, and treating conditions and diseases that affect the lungs, bronchial tubes, and the respiratory system, including the nose, pharynx, and throat.
