

Geoffrey D. Bowers, MD, FACOG, an Obstetrician-Gynecologist with Virtua Health

Get to know Obstetrician-Gynecologist Dr. Geoffrey D. Bowers, who serves patients in New Jersey.

New York City, New York Jul 17, 2023 ([IssueWire.com](https://www.issuewire.com)) - An esteemed OBGYN who specializes in treating pelvic pain, Dr. Bowers is the Co-Chair for Robotic Surgery and Chief of Gynecology at Virtua Health. He is one of the region's leading physicians for single-incision hysterectomy procedures.

Back in the early days of his academic career, he earned his medical degree at Thomas Jefferson University Hospitals in 2005, and continued at the same educational venue for his internship and residency in obstetrics & gynecology, completing his training in 2009.

Following his training, the doctor attained board certification in obstetrics & gynecology through the American Board of Obstetrics and Gynecology (ABOG). The ABOG is a non-profit organization that provides board certification for practicing obstetricians and gynecologists in the United States and Canada.

Obstetrics and gynecology (OB-GYN) is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynecology (covering the health of the female reproductive system – vagina, cervix, uterus, ovaries, and breasts).
