THEME : Beyond The Wound Bed: Advancing Towards
the Future of Wound Care

★ SEPTEMBER 28-30,2023

★ VENUE : PRAGUE , CZECH REPUBLIC

email : advancedwoundcare@pulsusgathering.org

Ph/Whatsapp: +44 7389643718

Prague, Praha Jul 29, 2023 (Issuewire.com) - The conference will include all-hands meetings, poster presentations by international experts, [wound care](#) professionals, and an opportunity to connect with young researchers and analysts to lead more in-depth investigations for a superior world.

By attending this conference, you will connect with exceptionally talented scholars from around the

world, present your research, and engage in discussions with friends and colleagues. The “[Advanced Wound Care 2023](#)” Congress brings together scientists, doctors, researchers, and university professors for lectures, oral and poster presentations, exhibitions, and much more.

With engaging content and keynote speakers, this event aims to facilitate interaction between delegates and scientists. The program is well-advanced for [wound](#) professionals, and the networking opportunities will be truly excellent.
