

Karpagam Institution Inaugurates MIT Square's RAISE Centre of Excellence to Benefit Students and Professors

Coimbatore, Tamil Nadu Jul 18, 2023 ([IssueWire.com](https://www.issuewire.com)) - Karpagam Academy of Higher Education (KAHE), Coimbatore, inaugurated the RAISE Centre of Excellence on January 6th, 2023 by joining hands with MIT Square, London. The centre is a state-of-the-art facility that will provide students and professors with the resources they need to succeed in the 21st century.

The RAISE Centre of Excellence is named after MIT Square's motto, "Research, Applications, Innovation, Science & Technology and Entrepreneurship for Academic Excellence." The centre has a dedicated space for research and development. The centre will be open to all students and professors at KAHE. It will offer a variety of programs and services, including:

- **Career Mentoring:** The centre will provide students with career guidance and mentoring services to help them choose the right career path.
- **Research & Innovation support:** The centre will provide professors with research and innovation support to help them conduct cutting-edge projects.
- **Professional development:** The centre will offer professional development programs to help students and professors stay up-to-date on the latest trends and technologies in their fields.

The RAISE Centre of Excellence is a significant investment in the future of KAHE. The centre will help to ensure that the institution's students and professors have the resources they need to succeed in the global economy.

In his speech at the inauguration ceremony, the institution's vice-chancellor, Dr Venkatachalapathy, said that the RAISE Centre of Excellence is a "game-changer" for the institution. He said that the centre will help to "nurture the next generation of innovators and entrepreneurs." He said that the centre will provide students with the "skills and knowledge they need to succeed in the 21st century."

Dr Amudha (Professor & Dean), Dr Thamilarasi (Registrar), Dr Parthasarathy (Dean) and Dr Santhosh (Professor & HoD) are confident that the RAISE Centre of Excellence will be a valuable resource for the students and professors at KAHE. The centre will help to ensure that the Institution's students are prepared for global challenges. It will also help to foster exchange programs, internships, innovation and entrepreneurship at the institution.

The chief guests, Dr Mithileysh Sathiyarayanan (Founder & CEO of MIT Square) and Ms Bhuvaneshwari Loganathan (Co-founder & COO of MIT Square) were virtually part of the inauguration of the RAISE Centre of Excellence. They are pretty excited to collaborate and execute several activities under the CoE.
