

Lindsey M. Bailey, MD, a Child and Adolescent Psychiatrist with Pine Rest Christian Mental Health Services

Get to know Child and Adolescent Psychiatrist Dr. Lindsey M. Bailey, who serves patients in Grand Rapids, Michigan.

New York City, New York Jul 13, 2023 ([Issuewire.com](https://www.issuewire.com)) - A trusted child & adolescent psychiatrist, Dr. Bailey sees patients at Pine Rest Christian Mental Health Services in Grand Rapids, Michigan. She is experienced in diagnosing and treating a wide range of mental health conditions, including but not limited to depression, anxiety disorders, obsessive-compulsive disorder (OCD), eating disorders,

bipolar disorders, personality disorders, post-traumatic stress disorder (PTSD), attention deficit disorder (ADD), and insomnia.

Her commitment to helping individuals overcome their mental health challenges is at the core of her practice. Her approach to patient care may involve a range of methods, including medication management, psychotherapy or talk therapy, and psychosocial interventions. By employing a combination of therapeutic modalities, she aims to provide comprehensive care and improve the well-being of her patients.

Back in the early days of her academic career, Dr. Bailey obtained her medical degree from Michigan State University College of Human Medicine in 2016. She then went on to complete her residency in psychiatry at Pine Rest Christian Mental Health Services.

As a testament of her continued education, Dr. Bailey is board-certified in psychiatry and child & adolescent psychiatry by the American Board of Psychiatry and Neurology (ABPN). The ABPN is a not-for-profit corporation dedicated to promoting high-quality patient care for the public through the initial and continuing certification of psychiatrists and neurologists.

Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. These include various maladaptations related to mood, behavior, cognition, and perceptions. Psychiatrists evaluate, diagnose, and treat patients with mental, emotional, and behavioral disorders. They conduct thorough psychiatric evaluations, develop treatment plans, prescribe medication, and evaluate treatment results.
