Get to know Podiatrist Dr. Nathanael Smith, who serves patients in Lakewood, California.

**New York City, New York Aug 1, 2023 ([IssueWire.com](https://www.issuewire.com))** - A skilled podiatrist with over 7 years of experience in the field, Dr. Smith tends to patients at his private practice - Lakewood Family Foot and Ankle - based in Lakewood, California.

Born and raised in Monrovia, California, his journey to becoming a respected medical professional has been marked by dedication and a strong academic background. His educational pursuits began at a bible college in Tulsa, Oklahoma, where he cultivated a well-rounded perspective and a compassionate

approach to patient care. He furthered his academic achievements by earning a Bachelor of Science degree in Biology from the prestigious California Polytechnic University of Pomona.

Driven by his passion for medicine and a desire to improve the lives of his patients, Dr. Smith pursued his Doctor of Podiatric Medicine degree at the esteemed Western University of Health Sciences. Graduating in 2016, he emerged as a well-qualified podiatric physician, ready to make a positive impact in the field.

To gain extensive surgical expertise and refine his skills, he successfully completed a rigorous three-year surgical residency at Chino Valley Medical Center. This highly competitive program specialized in rear-foot reconstruction, providing him with invaluable experience in acute care at level one trauma centers and various medical environments. His commitment and proficiency were recognized, as he served as chief resident in his final year. Simultaneously, he worked at multiple foot and ankle clinics, seamlessly transitioning into private practice.

With a strong commitment to excellence, Dr. Smith is board-certified and a Fellow of the American Board of Podiatric Medicine. He maintains affiliations with several prominent hospitals in California, including Los Alamitos Medical Center, and Lakewood Regional Medical Center.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremity. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremity. They can treat injuries and complications from ongoing health issues like diabetes.

On a more personal note, Dr. Smith is fluent in both English and Spanish. He is also a devoted husband and father of four, which serves as a constant source of purpose and motivation, inspiring him to work tirelessly to improve the lives of others.
