Dedicated to serving his country, he is a veteran of the United States Air Force, spending almost 21 years on active duty. Retiring as a Captain in 1992 he began his civilian career and continues to enjoy his relationships with his patients today.

A Certified Physician Assistant (PA-C) is a health care practitioner who practices medicine in collaboration with physicians. They examine patients, prescribe medicine, and order diagnostic tests. In most cases, they work under the supervision of physicians or surgeons, but they can work more independently in some states, rural areas, and inner-city areas, consulting with physicians only when they need help with cases.
