

Victor M. Salcedo, MD, FACP, FCCP, a Pulmonologist with Houston Chest Internists

Get to know Pulmonologist Dr. Victor M. Salcedo, who serves patients in Texas.

New York City, New York Jul 27, 2023 ([IssueWire.com](https://www.issuewire.com)) - A board-certified pulmonologist with a distinguished background as a retired Major of the United States Army, Dr. Salcedo has been serving the Houston community for over three decades.

Carrying on the legacy of Houston Chest Internists, he provides compassionate quality care to patients with pulmonary diseases, critical care illnesses, and sleep disorders. His dedication to improving their health and well-being helps to further enhance their overall quality of life.

Equipped with a medical degree from Universidad Autonoma de Guadalajara in Mexico, Dr. Salcedo relocated to the United States to further his training. He performed an internship in internal medicine at Sinai Hospital of Baltimore and a residency in internal medicine at Walter Reed Medical Center in Washington, D.C.

Furthering his training, he completed fellowships in pulmonary disease and critical care at Walter Reed Medical Center.

Board-certified in internal medicine, pulmonology disease, critical care medicine, and sleep medicine, Dr. Salcedo is a Diplomate of the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Having obtained fellowship status, Dr. Salcedo proudly holds prestigious titles as a Fellow of the American College of Physicians (FACP), a Fellow of the American College of Chest Physicians (FCCP), and a Fellow of the American Society of Sleep Medicine.

Additionally, he is a member of the Harris County Medical Society (Vice President of Southwest Branch, 2002; Chairman of Medical Ethics Committee, 2002-2004) and the Hispanic American Medical Association of Houston.

Pulmonology is a medical specialty that deals with diseases involving the respiratory tract. A pulmonologist is an internal medicine physician who specializes in preventing, diagnosing, and treating conditions and diseases that affect the lungs, bronchial tubes, and the respiratory system, including the nose, pharynx, and throat.

When not practicing medicine, Dr. Salcedo enjoys finding solace and enjoyment in traveling to Puerto Rico. He also indulges in reading professional publications, with a particular fondness for esteemed journals like CHEST and the New England Journal of Medicine.
