Get to know Family Physician Dr. William Lampard, who serves patients in Port St. Lucie, Florida.

**New York City, New York Jul 19, 2023 ([IssueWire.com](https://www.issuewire.com))** - An exceptional family physician, Dr. Lampard works with patients at his private practice in Port St. Lucie, Florida. He has developed a deep understanding of natural approaches to pain, focusing on aiding warmth and flow, movement disorders, as well as sleep and breathing disorders.

Back in the early days of his academic career, he graduated with his medical degree from the University of Alberta Faculty of Medicine in 1977. He successfully completed all three sets of major medical exams, qualifying him for practice in Canada and every state in the United States. Additionally, he completed a residency in family medicine with extra training in obstetrics and neonatal care.

Throughout his career, Dr. Lampard has served patients in South Central Texas and Western New York, delivering thousands of infants and finding great satisfaction in caring for both the infants and all generations of their families.

After spending 34 years in family practice, he decided to specialize in natural approaches to pain care. He pursued further education and training in opiate detox and approaches to pain, becoming a diplomat of the American Academy of Pain Management and a pain management specialist. In addition to his clinical work, Dr. Lampard has also taken on a teaching role, sharing his knowledge and energy application methods across the US and Canada. His dedication to expanding energy medicine use has reached across the Americas, Europe, and Asia.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

As a testament to his success, Dr. Lampard has been the recipient of the Patients' Choice Award (2016), and Compassionate Doctor Recognition (2016).

On a more personal note, he attributes his journey and success not only to his hard work and dedication but also to his faith. He acknowledges the presence of God/Jesus in every life, emphasizing the spiritual aspect of his practice.
