Los Angeles, California Aug 9, 2023 (Issuewire.com) - "Faces of Rap Mothers" continues on the path of aspiration with "new" and "improved" works on their horizon. Brand Creator and Owner, Candy Strother DeVore-Mitchell is keeping her peddle to the metal and driving the Rap Mother (and Rap

Father) crew toward future successes as a result of cumulative inertia if nothing else. The Rap Mothers include actors, artisans, fans, industry icons, models, musicians, and more with a stalwart selection of supporters . . . and, of course, dissenters (because every upwardly mobile story includes a little dissension - or better understood as 'haters gonna hate'). Candy takes this all-in stride and shares the following updates:
