

Frameley: Redefining Personalization in Photo Framing Services in India

FRAMELEY

Bengaluru, Karnataka Aug 11, 2023 ([IssueWire.com](https://www.issuewire.com)) - Frameley, India's leading photo framing service provider, has announced the launch of its new website, marking a significant step in its journey to transform the way people showcase their moments & memories. With a commitment to innovation, Frameley is revolutionizing the photo-framing industry, providing customers with unparalleled options for preserving and displaying their most treasured moments.

Frameley's new website offers a seamless and user-friendly experience, empowering customers to design and customize their frames. From a wide range of materials, colors, sizes, and style options customers can curate the perfect frames.

"At Frameley, we believe that every moment is special, and every photo tells us a story. Our new website embodies this philosophy by giving our customers the creative freedom to design a frame that truly resonates with their memories," said Nihad - CEO of Frameley.

As a homegrown Indian brand, Frameley is dedicated to supporting the "Make in India" initiative. At frameley each frame is created with precision and care with a vision of making the moment more beautiful. To explore the endless possibilities of custom framing, visit www.frameley.com.
