Get to know Plastic Surgeon Dr. Janet M. Blanchard, who serves patients in Willoughby Hills, Ohio.

New York City, New York Aug 22, 2023 ([IssueWire.com](https://www.issuewire.com)) - An established plastic surgeon, Dr. Blanchard's journey in the medical field has been defined by an innate talent for surgery and an unwavering passion for people. Her story is one of dedication, transformation, and a commitment to making a positive impact both within the operating room and in her community.

Initially setting foot in medical school with a focus on forensic pathology, her trajectory took a profound turn during a surgical rotation. It was here that she felt an undeniable connection to the world of surgery, recognizing it as her true calling. With determination and enthusiasm, she embarked on a path that led her to complete two rigorous residencies: one in general surgery and another in plastic surgery. These dual residencies not only equipped her with a diverse skill set but also solidified her position as a versatile and skilled surgeon.

Board-certified by the American Society of Plastic Surgery, Dr. Blanchard has left an indelible mark on the healthcare landscape of Cleveland, Ohio, as she has played an integral role in major health systems throughout the region. Her commitment to excellence has reached new heights with the establishment of her own Plastic Surgery Center in Willoughby Hills, a testament to her entrepreneurial spirit and her unwavering commitment to patient care.

A strong advocate for volunteerism, she has lent her expertise to overseas medical missions, extending her healing touch to those in need across the globe. Her involvement with organizations such as the American Red Cross and Junior Service League further underscores her dedication to community welfare.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories – reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

A true embodiment of holistic well-being, Dr. Blanchard balances her demanding career with a multitude of passions. From conquering marathons to delving into the depths of the ocean through scuba diving, she approaches life with the same vigor that defines her surgical prowess. Her engagement in activities like pickleball, golf, and boating highlights her ability to find joy in diverse experiences.

Notably, her connection to her local community is reflected in her role as the first female Commodore of the Mentor Harbor Yacht Club, an esteemed position that showcases her commitment to giving back to the community that she holds dear.
