

Jeff Eldridge, Recognized by BestAgents.us as a 2023 Top Agent.

With a unique set of skills and a strong dedication to his clients' satisfaction, Jeff has established himself as a reputable realtor in the industry.

New York City, New York Aug 3, 2023 ([IssueWire.com](https://www.issuewire.com)) - Jeff is a professional real estate agent currently working at Home Smart Lifestyles in Queen Creek, Arizona. He guides his clients through the real estate process with expertise and dedication, finding fulfillment in helping them achieve their American dream of homeownership.

With experience in navigating various market cycles, Jeff is well-equipped to handle the ever-changing real estate landscape. One of his core values is his commitment to his clients, taking the time to understand their concerns and striving to exceed their expectations. He understands the importance of asking thorough questions to truly grasp their needs, building trust and establishing a strong connection with them.

Before his real estate career, Jeff spent nearly two decades as a construction manager for renowned home builders in Arizona, such as Toll Brothers, Maracay (now Tri-Point), and Taylor Morrison. He oversaw the construction and delivery of almost 1,000 homes across the valley, ranging from small entry-level properties to large million-dollar semi-custom houses.

His extensive experience in the construction industry gives him a significant advantage in identifying potential defects and determining repair or improvement costs. This expertise allows him to offer clients a unique perspective and level of service that few other agents can match.

Combining over three decades of experience as a construction manager, home builder, business manager, and real estate agent, Jeff is a true housing expert. He highly recommends the Arizona sales territories due to the excellent home values, affordability, proximity to major airports, shopping options, and some of the best schools in the country. He particularly highlights Queen Creek as an up-and-coming city with great growth and investment opportunities, offering beautiful mountain views and open land.

Outside of work, Jeff enjoys music and cherishes quality time with his family, including his children and grandchildren.
