New York City, New York Aug 4, 2023 ([IssueWire.com](https://www.issuewire.com)) - A caring general dentist, Dr. Powers is the Owner & Operator of Powers Family Dentistry in Menifee, California. From regular check-ups to bridges and mini dental implants, he treats family's dental health needs throughout their lives.

His educational journey began at UC Riverside, where he obtained a Bachelor of Science degree in Bioinformatics and Genomics. Dr. Powers then pursued further medical training, achieving a Master of Arts degree in Biomedical Science from Midwestern University of Health Sciences, followed by his Doctorate of Dental Medicine degree from Roseman University of Health Sciences.

The Powers family has been dedicated to serving the Inland Empire community for more than three decades in the field of dentistry. His father, Fred T. Powers Jr., DMD, and his uncle, David R. Powers, DDS, have been practicing in the area since 1989.

Continuing the family legacy, Dr. Jeremy Powers carries forward their commitment by providing comprehensive dental care for families.

Showcasing his expertise and dedication to staying at the forefront of dental advancements, he is a certified provider of the Shatkin F.I.R.S.T technique for Mini Dental Implants. Used to replace missing teeth, stabilize dentures and restore better function and comfort for patients utilizing Mini Dental Implants.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

On a more personal note, Dr. Powers only runs his practice in Menifee but also resides there with his wife and four children.

Additionally, he is fluent in Spanish from his years serving as a translator, enabling effective communication with a diverse range of patients.
