

## Kids Dentist Englewood: Expert Care And Fun Adventures For Young Patients

**Englewood, Colorado Aug 10, 2023 ([Issuewire.com](https://www.issuewire.com))** - Kids Tooth Doc - Englewood, the premier pediatric dental office in Englewood, CO, is excited to introduce its team of dedicated pediatric dentists: Dr. Alex Sherman, Dr. Carissa Molina, and Dr. Brianna Nicholson. Focused on pediatric dentistry, the practice offers various specialized services, including dental wellness, restorations, emergency care, braces, and sedation options. With a strong emphasis on creating positive dental experiences, the kid-friendly dentists ensure each child enjoys a stress-free visit while receiving expert dental care.

Understanding the importance of a positive first dental experience, Kids Tooth Doc - Englewood offers early infant oral care to guide parents on the best oral hygiene practices for their infants and toddlers. "We believe in nurturing healthy dental foundations from the very beginning," says Dr. Carissa Molina, a skilled pediatric dentist at the practice. "By starting early, we aim to instill positive oral health habits that last a lifetime."

The dental clinic offers a comprehensive range of [pediatric dental services](#), including dental restorations such as fillings and crowns for damaged teeth, specialized care for children with special healthcare needs, emergency dental care for prompt assistance, braces and orthodontics to achieve beautifully aligned smiles, and personalized sedation options to ensure a stress-free experience for every child.

Preventive dentistry plays a vital role in maintaining healthy smiles. Kids Tooth Doc - Englewood focuses on preventive measures, such as dental sealants and fluoride treatments, to safeguard children's teeth from cavities and other dental issues. "We aim to avoid dental issues proactively," explains [Dr. Brianna Nicholson](#). "We collaborate closely with kids and their families to create customized

preventive care strategies."

Dental visits here are more than just check-ups; they are exciting adventures. The office features a child-friendly environment with vibrant decor, games, and toys to create a welcoming atmosphere. "We want children to anticipate their dental appointments eagerly," says Dr. Alex Sherman. "Through infusing elements of adventure and playfulness, our objective is to create positive dental encounters that will significantly influence their attitudes towards oral health."

Kids Tooth Doc - Englewood is committed to making dental care accessible to all families. The practice accepts most major credit cards and insurance plans, making it convenient for parents to choose dental treatments for their children from the best kids dentist Englewood.

The practice is led by a team of experienced and caring pediatric dentists, including Dr. Alex Sherman, Dr. Carissa Molina, and Dr. Brianna Nicholson. Offering a full spectrum of pediatric dental services, the office prioritizes the comfort and well-being of young patients. Kids Tooth Doc is dedicated to fostering healthy smiles, building positive dental experiences, and promoting dental health awareness in the community.

## **Summary**

Kids Tooth Doc - Englewood takes immense pride in being a trusted pediatric dentistry partner in Englewood, CO, and the surrounding communities. With a commitment to providing expert dental care, fostering healthy smiles, and promoting dental health awareness in the community, the practice stands as a pillar of oral health for children.
