**Honolulu, Hawaii Aug 15, 2023 ([IssueWire.com](https://www.IssueWire.com))** - Lan Guava Juice Company of Kilauea, Kauai, Hawaii, a pioneer in crafting exquisite tropical beverages, is thrilled to announce the launch of its latest creation: Queen Liliuokalani's Caffeinated Guava Nectar. This delectable concoction pays homage to Hawaii's rich history and the lush flavors of the Beaumont guava, offering a unique and energizing experience to discerning palates worldwide.

Sourced exclusively from the esteemed Guava Kai Plantation in Kilauea, Kauai, Queen Liliuokalani's Caffeinated Guava Nectar embodies the essence of Hawaii's tropical paradise. The captivating pink hue of the nectar is entirely natural, a testament to the authentic and superior quality of the Beaumont guava variety cultivated on the plantation.

Guava, a fruit with its roots in South America, found its home in Hawaii's fertile lands. Introduced by the Spanish adventurer Don Francisco de Paula Marin in 1791, guava flourished in the island's ideal conditions and swiftly established itself as a quintessential Hawaiian fruit. Lan Guava Juice Company has harnessed the essence of this tropical treasure, resulting in a nectar that boasts a uniquely delightful and exotic flavor profile.

This launch is not just a tribute to the guava's history but also to the legacy of Kilauea Sugar Co., which was marked by a historic event in 1881. On September 24th of that year, Princess Liliuokalani, who would later ascend to become Queen Liliuokalani, laid the first spike for the Kilauea Sugar Co. railroad,

a symbol of progress and ingenuity in Kauaʻi.

Queen Liliuokalani's Caffeinated Guava Nectar features a harmonious blend of carefully selected ingredients: Filtered Water, Guava Puree, High Fructose Corn Syrup And/Or Sugar, Citric Acid, Guar Gum, Cochineal Extract, and Caffeine. The infusion of caffeine adds an invigorating twist to this tropical delight, making it the perfect companion for both moments of relaxation and bursts of vitality.

Lan Guava Juice Company takes pride in its commitment to upholding the traditions and heritage of Hawaii, mirroring the dedication of C. Brewer & Co. Founded in 1826 by Captain James Hunnewell, C. Brewer has played an integral role in Hawaii's macadamia nut industry and remains one of the state's largest landowners. The Mauna Loa brand, known for its macadamia products, stands as a testament to the company's enduring legacy, with "Mauna Loa" translating to "Long Mountain" in Hawaiian.

Embrace the spirit of Hawaii and indulge in the luxurious flavors of Queen Liliuokalani's Caffeinated Guava Nectar. Experience the lush landscapes and vibrant history of Kauai in every sip, transporting yourself to a tropical paradise unlike any other.
