Get to know Pulmonologist Dr. Shahriyar Tavakoli, who serves patients in Rancho Mirage, California.

**New York City, New York Nov 2, 2023 ([IssueWire.com](https://www.issuewire.com))** - A seasoned pulmonologist, Dr. Tavakoli works with patients at his private practice - United Medical Group - in Rancho Mirage, California.

Before embarking on his professional journey, he graduated with his medical degree from the prestigious Universidad Central del Caribe School of Medicine in Puerto Rico and completed a rigorous residency in internal medicine at the LAC + USC Medical Center. His dedication to his craft did not stop there, as he subsequently undertook a fellowship in pulmonary disease and critical care medicine at the esteemed George Washington University School of Medicine and Health Sciences, in conjunction with the National Institute of Health.

Recognized as a Fellow of the American College of Chest Physicians (FCCP), the doctor is board-certified in internal medicine, pulmonary disease, and critical care medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Pulmonology is a medical specialty that deals with diseases involving the respiratory tract. A pulmonologist is an internal medicine physician who specializes in preventing, diagnosing, and treating conditions and diseases that affect the lungs, bronchial tubes, and the respiratory system, including the nose, pharynx, and throat.

Among his most notable achievements, Dr. Tavakoli has been consistently recognized by the Palm Springs Life Magazine, receiving their prestigious awards for multiple years, from 2005 to 2023.

On a more personal note, he cherishes his leisure time, valuing moments spent with friends and colleagues. In an effort to strike a balance between his demanding profession and personal life, he and his companions make a conscious effort to steer conversations away from medicine. Instead, they engage in discussions about their shared love for travel, and sports, particularly soccer, and relish quality time with their families and children.
