Six scholarships for space entrepreneurship & space business management master's in Amsterdam

APPLY BEFORE
September 15th

Amsterdam, Netherlands Aug 1, 2023 ([IssueWire.com](https://www.IssueWire.com)) - Luiss Business School in Amsterdam, one of the most exclusive business schools in the world, located in the heart of Amsterdam, is awarding 6 scholarships that will cover 50% of the tuition fee for the Executive Master Degrees in [Space Entrepreneurship](#) and [Space Business Management](#) starting in November 2023.

The first edition of unique and exclusive Space Executive Master Programmes are organized and managed in collaboration with most important industry players and professionals. Students gain invaluable experience over twelve months and expand their perspective on what it means to be a space business manager or space entrepreneur.

Candidates interested in Master in Space Entrepreneurship or Master in Space Business Management, should apply before 15th of September, 2023 for the Executive Master courses starting in November 2023.

In order to become eligible for a scholarship, candidates must be admitted to one of the two executive space masters' degree programmes: Master in Space Entrepreneurship or Master in Space Business Management.

The contest is open to students with an Undergraduate Degree or Bachelors' Degree. Also, at least one year of working experience is required to participate. The Scholarships are merit based and candidates will be evaluated according to their academic and professional background, the results of the admission tests and their motivational letter.
