

## Tomorrow's Lie Offers a Powerpack Performance with the Brand New Single 'Dust and Bone'

The up-and-coming band from San Francisco Bay Area, Tomorrow's Lie is ready to win the hearts of the listeners again with its rock-metal musical composition 'Dust and Bone'.

**San Francisco, Aug 28, 2023 ([Issuewire.com](http://Issuewire.com))** - It is time to join an exciting musical journey with the latest musical representation by **Tomorrow's Lie**. This band is well revered for its fine blend of rock and metal which reflects through the latest song '[Dust and Bone](#)'. This track is deftly produced and masterfully crafted to offer listeners a unique alternative soundscape that is filled with raw energy. The creative layer of fusion along with the band's united effort makes sure to engage the audience and make them want even more. The latest song has been released under the label of Pillar Point Studios and now, he is creating a huge buzz among the fans.

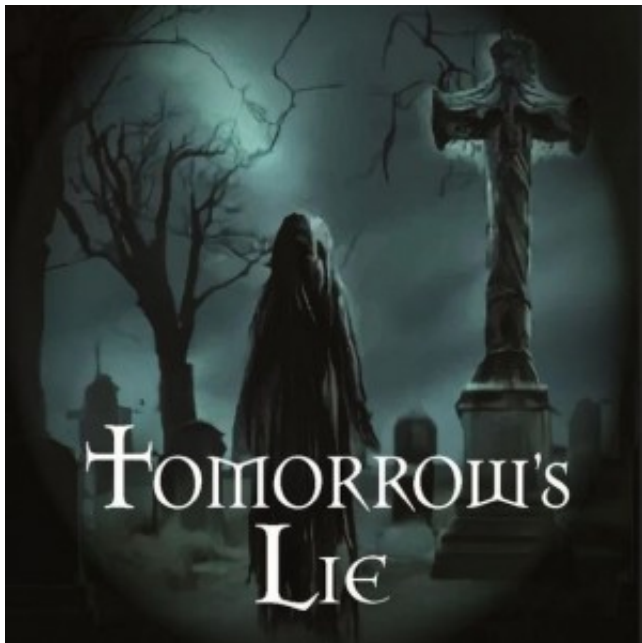

Hailing from San Francisco Bay Area, [Tomorrow's Lie](#) is made of talented members who make the

song stand out. Head songwriter Lance Amato handles the rhythm guitar while Mark Howard takes care of the drums. Mark (Shag) Nunez and Gary Witherell take care of the bass and lead guitar while Todd Tauscher creates magic with his unreal vocal skills. Offering a potent dose of inherent darkness instantly; the band stirs the deeper emotions of the listeners with the contributions of each member.

The latest song '**Dust and Bone**' is marking another milestone of this band's musical career, paving its path to success. The thundering riffs along with pounding beats and thought-provoking lyricism gives off a dark theme that is quite engaging and enjoyable at the same time. Check out the band on [Spotify](#) to have a taste of its fusion metal magic.
