

Usha Guduru, MD, a Family Physician with UNC Health Johnston

Get to know Family Physician Dr. Usha Guduru, who serves patients in Smithfield, North Carolina.

New York City, New York Aug 22, 2023 ([IssueWire.com](https://www.IssueWire.com)) - A trusted family physician, Dr. Guduru tends to patients at UNC Health Johnston in Smithfield, North Carolina.

After graduating from Kakatiya Medical College in India in 1994, Dr. Guduru went on to further her

education by completing an internship at MGM Hospital Vashi, and undertook a residency in obstetrics & gynecology at Osmania Medical College in 1996. After relocating to the United States, she completed her residency in family and community medicine at Regions Hospital in 2004.

Passionate about her profession, the doctor is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
